**The Ultimate Guide to Search Engine Marketing** Bruce C. Brown 2007 Is your ultimate goal to have more customers come to your Web site? You can increase your Web site traffic by more than 1,000 percent through the expert execution of Pay Per Click Advertising. With PPC

advertising you are only drawing highly qualified visitors to your Website! PPC brings you fast results and you can reach your target audience with the most cost effective method on the Internet today. Pay per click, or PPC, is an advertising technique that uses search engines where you can display your text ads throughout the Internet keyed to the type of business you have or the type of products you are promoting. Successful PPC advertising ensures that your text ads reach the right audience while your business only pays for the clicks your ads receive! The key to success in PPC advertising is to know what you are doing, devise a comprehensive and well-crafted advertising plan, and know the relationships between your Web site, search engines, and PPC advertising campaign methodology. This new book will teach you the six steps to a successful campaign: Keyword Research, Copy Editing, Setup and Implementation, Bid Management, Performance Analysis, Return on Investment, and Reporting and Avoiding PPC Fraud.
