**China Among Unequals** Brantly Womack 2010 China Among Unequals presents asymmetry theory, a new paradigm for the study of international relations, derived from China's relationships with its neighbors and the world. The first collection of its kind, it brings together key writings on the theory and its applications to China's basic foreign policy, particularly towards the United States and the rest of Asia. Starting with an exploration of the general theory of asymmetry, with particular attention given to such topics as human rights, soft power, regionalism, and asymmetric wars, the book then moves on to the fundamentals of China's external relations, looking at the complexities created by its scale and broad range of neighbors. Traditional imperial relationships are analyzed, as well as China's more recent emphasis on multipolarity. The third section deals with US-China ties - China's most important relationship, and the only one in which it is in the more vulnerable position. The final section treats in detail the relationships between China and its Asian neighbors, including Southeast Asia and the complicated multilateral situations of Korea and Taiwan.

**The Star and the Scepter** Emmanuel Navon 2020-11 The first all-encompassing book on Israel's foreign policy and the diplomatic history of the Jewish people, *The Star and the Scepter* retraces and explains the interactions of Jews with other nations from the ancient kingdoms of Israel to modernity. Starting with the Hebrew Bible, Emmanuel Navon argues that one cannot grasp Israel's interactions with the world without understanding how Judaism's founding document has shaped the Jewish psyche. He sheds light on the people of Israel's foreign policy through the ages: the ancient kingdoms of Israel, Jewish diasporas in Europe from the Middle Ages to the emancipation, the emerging nineteenth-century Zionist movement, and Zionist diplomacy following World War I and surrounding World War II. Navon elucidates Israel's foreign policy from the birth of the state in 1948 to our days: the dilemmas and choices at the beginning of the Cold War; Israel's attempts to establish periphery alliances; the Arab-Israeli conflict; Israel's relations with Europe, the United States, Russia, Asia, Africa, Latin America, the United Nations, and the Jewish diasporas; and how twenty-first-century energy geopolitics is transforming Israel's foreign relations today. Navon's analysis is rooted in two central ideas, represented by the Star of David (faith) and the scepter (political power). First, he contends that the interactions of Jews with the world have always been best served by combining faith with pragmatism. Second, Navon shows how the state of Israel owes its diplomatic achievements to national assertiveness and hard power—not only military strength but economic prowess and technological innovation. Demonstrating that diplomacy is a balancing act between ideals and realpolitik, *The Star and the Scepter* draws aspirational and pragmatic lessons from Israel's exceptional diplomatic history.

The London-Budapest Game Catherine Eva Schandl 2007-08 'The London-Budapest Game' is the true sequel to 'Sword of the Turul, ' with a unique glimpse into the British underground in World War II Hungary - and its aftermath. From 1991 to 2001, a Swedish-Russian joint Commission investigating the fate of Swedish diplomat Raoul Wallenberg discovered that 3 Hungarian numbered prisoners secretly held in Vladimir prison, Soviet Union had been connected to his case. One was Karoly Schandl, a young lawyer in Budapest who lived near the Swedish Embassy. This is the continuation of his shocking true story, supported by historical documents and excerpts from his private writings. Karoly's anti- Nazi resistance group was led by his childhood friend, Gabor Haraszty, a.k.a. British agent ALBERT. The group had links to MI9, ISLD (MI6), SOE, Colonel Howie, the Dutch and Polish Underground, the Tito partisans, and a group of famous Jewish parachutists from Palestine, with whom they had planned to collaborate in Hungary. It was a dangerous game, and only a few would survive ..

*Open Door* Daniel S. Hamilton 2019-05-03 NATO's decision to open itself to new members and new missions is one of the most contentious and least understood issues of the post-Cold War world. This book, an unusual and intriguing blend of memoirs and scholarship, takes us back to the decade when those momentous decisions were made. Former senior officials from the United States, Russia, Western and Eastern Europe who were directly involved in the decisions of that time describe their considerations, concerns, and pressures. They are joined by scholars who have been able to draw on newly declassified archival sources to revisit NATO's evolving role in the 1990s.

*Torn from the Inside Out* Sara Niles 2014-03-03 Domestic Violence Narrative Memoir During a cold, unseasonal, February thunderstorm in 1987 Sara Niles was forced to flee for her life from a violent and abusive husband, with five small children in tow. Thomas Niles was an obsessed, homicidal psychopath, intent of killing Sara, and his own children, rather than let them go. The story of Sara Niles is more than one woman's story, it is the untold story of thousands of victims of domestic violence who did not survive. From the author: "In the process of my evolution, I became a victim of domestic war, an emotional casualty for a major portion of my life, entwined, entrapped and emotionally involved, until I learned how to become free. Freedom has never been easily gained and has often come at high cost throughout history, but one thing I will always know is freedom is worth every fight, and all pain" "In every life there is a timeless and unforgettable minute or day that will be forever etched into our mind's memory. I have unforgettable memories that are so vivid that I see them in Technicolor, and I hear them with surround sound. Long after I am dead, I believe, I will remember. Two of those memories were the days of my escape to freedom...twice" Celebrate the power of the human spirit under fire: *Torn From the Inside Out* by Sara Niles Excerpt from chapter one: "Thunder rattled the window- panes two stories high, and lightning split the sky, it was as if the whole world was in turmoil that night. My nerves were keyed up as tight as piano strings, and in a sudden moment of stillness and silence, it felt as though my heartbeat was amplified ten times over. He was over a hundred pounds greater than I, and nearly a foot taller than I, and I knew he could move his muscled body into unbelievable sprints. Rain started falling in torrents as the storm raged outside. I was not afraid of the storms of nature; it was the storm inside

this night that I knew I might not survive" February 13th, 1987, the night of Sara Niles' disappeared with her five small children. **Secret Service in the Cold War** John B. Sanderson 2020-04-17 The Second World War had been won, but relationships between the Western allies and the Soviet Union were becoming increasingly strained, as the nuclear arms race made world peace precarious. It was vital that Britain knew the Soviets' intentions and military capabilities, both offensive and defensive. As a Military Attaché in Sofia, and Commandant of an Intelligence Centre in the Balkans, it was SIS officer Lieutenant Colonel John Sanderson's job to find out. Sanderson handled agents who operated secretly behind the Iron Curtain at the height of the Cold War and

organised hidden arms depots for stay-behind agents in case of a Red Army invasion. Based on Sanderson's letters and personal accounts of his time with MI4 and MI6, we learn how he was sent to observe sessions of the Paris UNO Security Council in 1948 and to recruit émigrés for infiltration behind the Iron Curtain, into Communist Bulgaria. Fluent in French and Bulgarian, in 1949 Captain Sanderson was posted to Sofia as a Press Attaché with diplomatic immunity, reporting on the Communist show trials. Lieutenant Colonel Sanderson returned there twelve years later as the Military, Naval and Air Attaché. In 1961, having been tasked by London with photographing the latest MIG fighter, he was driven at night to Sofia airport's perimeter by a CIA colleague. Closely followed by the Bulgarian secret police, he parachute-rolled, unobserved, out of the car with his camera. Arrested at daylight, he escaped to the border and drove across Europe, still pursued by the ruthless Bulgarian Security Services. John Sanderson's early service life was equally challenging, from helping defend Britain's coastline in 1940, picking up shot-down pilots around Dover on a motorbike during the Battle of Britain, to fighting the Japanese in the Burmese and Indian jungles, before returning to London to join the Secret Intelligence Services. In parallel with Sanderson's SIS career, living with Russian émigrés in Paris, posted to SIS headquarters in the Berlin Olympic stadium, and later working together in the Intelligence Division of NATO headquarters Paris during the Cuban Missile Crisis, was his SIS friend RAF Squadron Leader John Aldwinckle, a veteran of SOE wartime operations in Halifax bombers. All Aldwinckle's agents were betrayed by the traitor George Blake, as were all Sanderson's by Kim Philby. In John Sanderson's biography we get the detailed inside story of the Berlin Air Lift, the Suez Invasion, the Cuban Missile Crisis, and the fall of the Berlin Wall. We see the results of Philby and Blake's treachery and the effects which the courageous actions of the two 'Olegs', the Russian Colonels Penkovsky and Gordievsky, had on the international politics of Khrushchev, Kennedy, Gorbachev, Thatcher and Reagan – and the consequences their decisions had for the course of world history. For over thirty years, John Sanderson worked for the British Secret Services – with his last mission, aged 74, as exciting as his first, being helicoptered into

Sarajevo with an SAS team at the height of the Balkan War.

**Council of War** U. S. Military 2017-05-05 Council of War: A History of the Joint Chiefs of Staff, 1942--1991 follows in the tradition of volumes previously prepared by the joint History Office dealing with JCS involvement in national policy, the Korean War, and the Vietnam War. Adopting a broader view than earlier volumes, it surveys the JCS role and contributions from the early days of World War II through the end of the Cold War. Written from a combination of primary and secondary sources, it is a fresh work of scholarship, looking at the problems of this era and their military implications. The main prism is that of the joint Chiefs of Staff, but in laying out the JCS perspective, it deals also with the wider impact of key decisions and the ensuing policies. The narrative traces the role and influence of the Joint Chiefs of Staff from their creation in 1942 through the end of the Cold War in 1991. It is, first and foremost, a history of events and their impact on national policy. It is also a history of the Joint Chiefs of Staff themselves and their evolving organization, a reflection in many ways of the problems they faced and how they elected to address them. Over the years, the Joint History Office has produced and published numerous detailed monographs on JCS participation in national security policy. There has never been, however, a single-volume narrative summary of the JCS role. This book, written from a combination of primary and secondary sources, seeks to fill that void. Contents: Chapter 1 \* THE WAR IN EUROPE \* The Origins of Joint Planning \* The North Africa Decision and Its Impact \* The Second Front Debate and JCS Reorganization \* Preparing for Overlord \* Wartime Collaboration with the Soviet Union \* Chapter 2 \* THE ASIA-PACIFIC WAR AND THE BEGINNINGS OF POSTWAR PLANNING \* Strategy and Command in the Pacific \* The China-Burma-India Theater \* Postwar Planning Begins \* Ending the War with Japan \* Dawn of the Atomic Age \* Chapter 3 \* PEACETIME CHALLENGES \* Defense Policy in Transition \* Reorganization and Reform \* War Plans, Budgets, and the March Crisis of 1948 \* The Defense Budget for FY 1950 \* The Strategic Bombing Controversy \* Chapter 4 \*

**American Pageant** David M. Kennedy 2015-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the

Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). **Desert Dreams. the Quest for Arab Integration from the Arab Revolt to the Gulf Cooperation Council** Justin Dargin 2012-02 DIVS - ISL, 3 (International Studies Library, 27) This book discusses the history of Arab integration attempts from the late Ottoman period to the creation of the Gulf Cooperation Council (GCC). Although there is significant scholarship on the history of pan-Arab nationalism and the drive for disparate Arab nations to integrate, there is precious little literature that seeks to understand the development of closer integration in the Gulf in the context of the long history amongst Arabs of the awareness that a common cultural and social nation exists that should politically and economically collaborate. This book reassesses the history of Arab integration, and argues convincingly, that while the more politically charged "unionist" attempts of Arab political integration may have failed,

instead what we can anticipate, based on the illustration of the GCC, is deeper and closer economic, financial, political and social coordination amongst various Arab countries.
