Compendium of KEY ISSUES UNDER CORPORATE LAW Dr. K. R. Chandratre 2021-03-15 About the Book With the rapid change in statutory environment, Corporate Law has also been evolving at faster pace from past several decades. The complexities in the laws have also been rising, which poses constant challenge to practising professionals. There also exist a lot of issues which perhaps may not be addressed by legislation and delegated legislation, some of which are addressed by the judiciary. The present book is a Compendium of Key Issues under Corporate Laws covering a wide spectrum of subjects in Corporate Laws, in five Volumes. This book brings out issues in Corporate Law covering aspects that professionals face in practice. It also brings out a lot of aspects that readers should be aware of. Legislation and case laws from other jurisdictions have been analysed to provide insight into the issues. Key Features ? Topic-wise detailed analysis of various Corporate Law issues. ? Various issues organised under topic heads addressing the key issues concerning the topic. ? Detailed analysis of statutory provisions along with relevant judicial pronouncements and provisions of

allied laws (wherever applicable) for each topic has been provided; e.g. SEBI Act and various Regulations issued by the SEBI. ? Analysis of certain landmark judicial pronouncements. ? Comparative position of various topics between Companies Act, 2013 and Companies Act, 1956. ? Certain new concepts of Companies Act, 2013 explained in detail. ? Rules of interpretation of statutes have been discussed wherever necessary.

Law and Regulation of Public Offering of Corporate Securities Raghvendra K. Singh 2016-07-11 Institutional libraries; law universities; ICSI, ICAI; regulatory agencies and institutions concerned with the capital markets; and companies intending to access the primary market. Capital markets lawyers/firms; securities market intermediaries; company secretaries; research scholars and students pursuing professional courses such as LL.B., M.B.A., M.F.C., M.B.E. and M.I.B. The book is a comprehensive exposition of the law and regulation of public offering of corporate securities. It puts together the law and regulation of public offering of corporate securities at one place, and studies it in a singular and coherent fashion, with an emphasis on the concepts and principles that are its foundations

and building blocks. Moreover, it is written in a linear fashion, and not as a commentary of the statutory provisions, rules and regulations governing public offering of corporate securities. The book has a starting point, and each subsequent topic, section and chapter logically builds on the earlier analysis, leading to a coherent study of the law and regulation of public offering of corporate securities. However, care has been taken to write these topics, sections and chapters in a manner that these can also be read independently by someone who may wish to refer to a select issue. This volume examines and explains (i) the concept of public offering of securities; (ii) the legal setting in which public offering of securities is undertaken and the mechanics of such transactions; (iii) potential liability of different parties such as issuer company, its promoters and directors, and securities market intermediaries involved in public offering of securities; and (iv) remedies that are available to investors.

Management of Financial Services C. Rama Gopal The financial services sector is witnessing rapid changes and innovations—so much so that existing books are hardly able to keep up with the rapid developments in the entire gamut of financial services. This book aims to fill this gap by covering the most recent developments and new products in the sector. Closely following the syllabus of MBA UGC curriculum and PGDM, the book has a single-window approach, that is, to meet the total requirement of students in this subject area in a single book

Key Features

- Full coverage of MBA, UGC & PGDM syllabus
- Contemporary developments, directives of regulatory authorities and recent changes in practices
- Real time media reactions echoing the reactions of the investors and general public to the developments
- Live examples and real case studies
- Examination-oriented questions with answers, as well as frequently asked interview questions with answers

SEBI Listing Obligations and Disclosure Requirements - A Handbook, 1e Dr. K. R. Chandratre 2021-03-15 About the book
The book provides detailed analysis of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which replaced the Listing Agreement and were notified on 2nd September 2015. These Regulations impose considerable volume of compliance obligations on listed entities and every listed entity is obligated to comply with them. The volume of the Regulations and the pace at which they have been undergoing frequent changes makes the task of compliance a hard one for the compliance officers. This book attempts to simplify the complex mass of the Regulations and bring in the relevant provisions of the Companies Act, 2013 so as to assist the compliance officers in their task of compliance. These Regulations apply to the listed entity who has listed any of the following designated securities on recognised stock exchange(s): (a) Specified securities listed on main board or SME exchange or institutional trading platform; (b) Non-convertible debt securities, non-convertible redeemable preference shares, perpetual debt instrument, perpetual non-cumulative preference shares; (c) Indian depository receipts; (d) Securitised debt instruments; (e) Security receipts; (f) Units issued by mutual funds; (g) Any other securities as may be specified by the Board. It would be immensely useful for Company Secretaries, Law professionals & Chartered Accountants. Key highlights Covering detailed analysis of provisions applicable for listing of specified securities on recognized stock exchange(s). Topics have been thoroughly explained using judicial pronouncements.

Secretarial Audit and Compliance Manual, Third Edition Dr. K. R. Chandratre 2021-05-30 Since April 2014, Secretarial Audit has become mandatory under the Companies Act, 2013.

Subsequently, SEBI has also mandated Secretarial Audit for material subsidiaries of a listed Company and obtaining a Compliance Certificate for submission to Stock Exchange. Alongwith this, MGT 7 is also required to be certified by a Practising Company Secretary whereby he/she has to confirm comprehensive compliance of the concerned company. Therefore, there are hundreds of compliances which companies have to do in a financial year and giving such a comprehensive Compliance Certificate requires thorough knowledge, different perspective and techniques. This book covers the meaning, benefits, process, approach and entire scope of Secretarial Audit providing detailed checklists with respect to Companies Act, 2013, SEBI Regulations and FEMA Regulations which will be very useful for professionals not only while doing Secretarial Audit but also for routine certifications like MGT-7, MGT-8 or Compliance Certifications mandated under various laws. Key Features Detailed Checklists for Audit on Companies Act, 2013, SEBI (LODR) Reg., 2015, SEBI (PIT) Reg., 2015 and FEMA, 1999 Includes insights on ICSI Auditing Standards Elaborates newly introduced key concepts

under Companies Act, 2013 by way of Annexures like SBO, etc. Contains a chapter elaborating key concepts under Companies Act, 2013 which will help professionals to understand and comply with law in letter and spirit. Contains a compilation of useful charts as well as specimen Management Representation Letter and various Declarations required to be obtained from the Accounts and Finance Department Brings greater clarity w.r.t. Role of Auditor, Process of Audit and duty as well as liability of auditor

Law and Practice relating to Company Meetings Ramaswami Kalidas 2021-05-15 About the book The book contains an incisive analysis of the law and practice relating to the holding of meetings of the board, various committees constituted by the Board and general meetings of the members including meetings held specifically under the statute for different stakeholders. The book explains lucidly the paradigm shift which has been brought about in the Companies Act, 2013 as compared to the 1956 Act in the matter of conducting meetings, use of audio visual means for attending meetings etc. The book will be of immense value to the professional fraternity as well as those aspiring to enter the profession, company directors, academicians as also the dilettante. The book should enable the professionals to organize meetings in a systematic manner as practical insights have been provided on these aspects, given the author's four-decade long interface with the Industry. The annexures to the book contain the relevant provisions in the Act, Rules, Regulations, Secretarial Standards etc to facilitate co-relation with the discussion in the chapters of the book. Key features Critical analysis of the law and practice relating to company meetings with reference to the case laws both under the present Act and its predecessor, the 1956 Act. Specific reference to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 governing conduct of meetings by listed companies. Relevant amendments by the Companies (Amendment) Act, 2020 have been analysed. Secretarial Standards 1 (Meetings of the Board of Directors) and 2 (General Meetings) have been critically examined. Ambiguities in the law explained and dealt-with pragmatically under various topics. Ready reference to the law, relevant Rules, SEBI

Regulations, Notifications and Circulars to make the edition contemporaneous.

Strengthening Forensic Science in the United States

National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and

national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.
