From Gods Lip's to the Devil's Ear chronicles the life of a power starved, maniacal madman named Abraham who manipulates his way into a powerful position within the Mormon Church. Using the heaven sent, psychic messages of a young child named Zechariah, Abraham plots to control the Church, and the entire world. Abraham will stop at nothing to attain his all consuming desires, and through Zechariah's holy words, Abraham soon controls what is left of our ravaged planet. In this day of ideological terrorism, From God's Lips to the Devil's Ear will both beguile your senses, and make you reflect on man's history, and the abuse of power. Latin American Cinema Stephen M. Hart 2014-10-15 From El Megano and Black God, White Devil to City of God and Babel, Latin American films have a rich history. In this concise but comprehensive account, Stephen M. Hart traces Latin American cinema from its origins in 1896 to the present day, along the way providing original views of major films and mini-biographies of major film directors. Describing the broad contours of Latin American film and its connections to major historical developments, Hart guides readers through the story of how Hollywood dominance succumbed to the emergence of the Nuevo Cine Latinoamericano and how this movement has led to the "New" New Latin American Cinema of the twenty-first century. He offers a fresh analysis of the effects of major changes in film technology, revealing how paradigm shifts such as the move to digital preceded new cinematographic techniques and visions. He also looks closely at the films themselves, examining how filmmakers express their messages. Finally, he considers the decision by a group of directors to film in English, which enhanced the visibility of Latin American cinema around the world. Featuring 120 illustrations, this clear, cogent guide to the history of this region's cinema will appeal to fans of Central Station and Like Water for Chocolate alike.

Deportes José M Alamillo 2020-07-17 Spanning the first half of the twentieth century, Deportes uncovers the hidden experiences of Mexican

male and female athletes, teams and leagues and their supporters who fought for a more level playing field on both sides of the border. Despite a widespread belief that Mexicans shunned physical exercise, teamwork or "good sportsmanship," they proved that they could compete in a wide variety of sports at amateur, semiprofessional, Olympic and professional levels. Some even made their mark in the sports world by becoming the "first" Mexican athlete to reach the big leagues and win Olympic medals or world boxing and tennis titles. These sporting achievements were not theirs alone, an entire cadre of supporters—families, friends, coaches, managers, promoters, sportswriters, and fans—rallied around them and celebrated their athletic success. The Mexican nation and community, at home or abroad, elevated Mexican athletes to sports hero status with a deep sense of cultural and national pride. Alamillo argues that Mexican-origin males and females in the United States used sports to empower themselves and their community by developing and sustaining transnational networks with Mexico. Ultimately, these athletes and their supporters created a "sporting Mexican diaspora" that overcame economic barriers, challenged racial and gender assumptions, forged sporting networks across borders, developed new hybrid identities and raised awareness about civil rights within and beyond the sporting world.

Under the Influence of Classic Country Sheree Homer 2019-09-23

The music today known as "classic country" originated in the South in the 1920s. Influenced by blues and folk music, instrumentation was typically guitar, fiddle, bass, steel guitar, and later drums, with lyrics and arrangements rooted in tradition. This book covers some of the genre's legendary artists, from its heyday in the 1940s to its decline in the early 1970s. Revivalists keeping the traditions alive in the 21st century are also explored. Drawing on original interviews with artists and their associates, biographical profiles chronicle their lives on the road and in the studio, as well as the stories behind popular songs. Thirty-six performers are profiled, including Ernest Tubb, Ray Price, Loretta Lynn, Bill Anderson, Faron Young, Mickey Gilley, Freddie Hart, Jerry Reed, Charley Pride, David Frizzell, The Cactus Blossoms, The Secret Sisters, and Pokey LaFarge.
