**Essentials of Health Care Finance** William O. Cleverley 2017-02-15  
"This trusted resource explores finance theory and its practical application in health care across a full range of facilities, from hospitals and home health agencies to skilled nursing facilities, surgical centers and private physician practices. The vast, complex nature of the U.S. health care system renders traditional approaches to finance insufficient. Importantly, Essentials of Health Care Finance couches its discussion of economics, accounting and financial topics firmly within the unique context of the health care industry. Relevant and readable, this Eighth Edition of Essentials of Health Care Finance is fully revised and updated with current, real-world examples of financial problems and solutions as well as the latest financial ratio standards. This new edition also introduces ICD-10 coding and offers comprehensive coverage of the impact of the Affordable Care Act in all relevant chapters."--

Financial Accounting with International Financial Reporting Standards

Jerry J. Weygandt 2018-07-18 While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Advanced Financial Accounting Richard E. Baker 2005 This successful textbook is highly regarded, especially in programs that want a solid, comprehensive text for students who sit for the CPA exam. The book is loosely organized into five sections which allow for flexibility in sequencing the topics. Many of the topics are illustrated by examples using a continuous case involving a fictitious company called Peerless Products Corporation and its subsidiary, Special Foods, Inc.
