2012-12-31 "Unpacking the Standards features focus on important academic vocabulary and offer examples and non-examples to clarify learning goals. Interactive lessons allow you to actively participate and develop a deeper understanding of math concepts. Practice and Problem Solving pages provide opportunities for mathematical modeling as you practice and apply new concepts in real-world contexts. Leveled Performance Tasks and Problem Solving Connections help you pull together math concepts and skills and apply them to real-world situations. Assessment Readiness provides you with opportunities to practice and prepare for your high-stakes test. QR codes make it easy to use your smart phone or tablet to access online resources, including video tutorials, interactive animations, and PARCC assessment readiness practice."--Back cover.

Holt McDougal Mathematics Grade 6 Jennie M. Bennett 2012 The new Holt McDougal Mathematics for middle school provides complete and comprehensive coverage of the Common Core State Standards with content and standards of mathematical practices documented throughout every lesson. The unique integrated assessment and intervention features, Are You Ready and Ready To Go On, demonstrate if the students have the prerequisite depth of knowledge to proceed with the chapter content. In order to be a good problem solver, students need a good problem-solving process. The process used in this book is: understand the problem, make a plan, solve, look back. - Publisher.

Carrying Coal to Columbus David Meyers 2017-02-13 As early as 1755, explorers found coal deposits in Ohio's Hocking Valley. The industry that followed created towns and canals and established a new way of life. The first shipment of coal rolled into Columbus in 1830 and has continued ever since. In 1890, the United Mine Workers of America was founded in Columbus. Lorenzo D. Poston became the first of the Hocking Valley coal barons, and by the start of the twentieth century, at least fifty thousand coal miners and their families lived and worked in Athens, Hocking and Perry Counties. Authors David Meyers, Elise Meyers Walker and Nyla Vollmer detail the hard work and struggles as they unfolded in Ohio's capital and the Little Cities of Black Diamonds.
