**Life Beyond Death** Anil Sharma

2014-09-18 The author Sri Anil Sharma was born in Ambala, India. He graduated as an electrical engineer in 1980, after which he travelled for a period of three years throughout the Indian subcontinent, in search of the truth. Since 1993 over a period of seven years he read more than nine hundred books written and referred to by great spiritual masters, attained various siddhis, toured many countries around the world and gave lectures. This book is the outcome of his spiritual experiences and guidance received from sages and spiritual masters during deep states of meditation. However, inspite of experiencing the rising of cosmic currents in his body, having attained a heightened awareness of reality, and achieving many tasks in spirituality, like writing books and genuinely helping many aspirants in the path of spirituality, his own quest of knowing and gaining personal experience of self realisation

remained unfulfilled. In the year 2000 he came across the teachings of Sri Ramana Maharshi, in whom he found all the answers to his spiritual quest and took him as his Sat guru. The author currently resides in Australia, works in his profession and also runs a small centre in Sydney called Sage Sri Ramana Maharshi Centre of Learning Sydney **From the Unreal to the Real** Swami Bhashyananda 2015-07-02 Swami Bhashyananda has explained different aspects of Vedanta philosophy in this book with appropriate quotations from the Upanishads and Gita and has brought home to us the significance of this great philosophy in the context of the present edition in the world. From the standpoint of this book will serve a very useful purpose by making readers aware of their duty to themselves and to the world at large.

Theos Bernard, the White Lama Paul Hackett 2012-03-27 "Theos Bernard,

Downloaded from [denimbirds.com](http://denimbirds.com) on August 9, 2022 by guest

the White Lama" recounts the real story behind the purported adventures of Theos Casimir Bernard (1908-1947), the self-proclaimed "White Lama" who in 1937 became the third American in history to reach Lhasa, the capital city of Tibet. Bernard met, associated, and corresponded with the major social, political, and cultural leaders of his day, from the Regent and high politicians of Tibet to saints, scholars, and diplomats of British India, and from Charles Lindbergh and Franklin Delano Roosevelt to Gandhi and Nehru. But he also had his flaws. He was an entrepreneur propelled by grandiose schemes, a handsome man who shamelessly used his looks to bounce from rich wife to rich wife to support his activities, and a master manipulator who concocted his own interpretations of Eastern wisdom to suit his own ends. Despite the bright future ahead of him, Bernard disappeared in India during the

communal violence of the 1947 Partition, never to be seen again. Through diaries, interviews, and previously unstudied documents, Paul G. Hackett shares Bernard's compelling life story, along with his efforts to awaken America's religious counterculture to the unfolding events in India, Tibet, and the Himalayas.

*Five Lectures on Reincarnation* Swami  
Abhedananda 2015-06-29 Vedanta  
Philosophy: Famous lectures in Yoga  
from the last survivor of the direct  
disciples of Ramakrishna. "The  
doctrine of Reincarnation says that  
each individual soul is potentially  
perfect and is gradually unfolding  
its powers and making them actual  
through the process of Evolution." -  
Swami Abhedananda Swami Abhedananda

compiled for you this fabulous book of his five lectures on reincarnation. In each lecture he examines the beliefs of religions and cultures while explaining the scientific basis of reincarnation. This is a very deep book and powerful to those who seek a deeper understanding of reincarnation. "In these discourses the Swami Abhedananda considers the questions of evolution and the resurrection in their bearing upon the ancient teaching of rebirth, the truth, logic and justice of which are rapidly permeating the best thought of the Western world. For the preservation of this doctrine mankind is indebted to the literary storehouses of India, the racial and geographical source of much of the vital knowledge of Occidental peoples. Reincarnation is shown in the present volume to be a universal solvent of life's mysteries. It answers those questions of children that have staggered the

wisest minds who seek to reconcile the law of evolution and the existence of an intelligent and just Creator, with the proposition that man has but a single lifetime in which to develop spiritual self-consciousness. It is commended to every thinker." - Mind, February, 1900 "It is a work which will appeal to the novice for its simplicity and definite quality, and to the student for its wealth of knowledge and suggestion." -Vedanta Monthly Bulletin, September, 1907 "The book should prove a valuable acquisition." -The Evening Sun, N. Y., December 21, 1907 "This is the work of a man of fine education and fine intellect...(Reincarnation) as expounded by Swami Abhedananda is very plausible, quite scientific, and far from uncomfoting. The exposition contained in this little book is well worth reading for all students of metaphysics. There is not the slightest danger of its converting or perverting any one to a new and

strange religion. Reincarnation is not religion, it is science. Science was never known to hurt anybody but scientists." -Brooklyn Eagle, December 13, 1907 Contents I.--Reincarnation II.--Heredity and Reincarnation III.--Evolution and Reincarnation IV.--Which is Scientific, Resurrection or Reincarnation? V.--Theory of Transmigration

Invitation to Holy Company Swami Jnanatmananda 2013-12-16 Invitation to Holy Company is the work of a life long Sannyasin, recording his intimate experiences with ten of the direct monastic disciples of Sri Ramakrishna, who may be designated as the Great Master's Apostles. It is hoped that the study of these accounts will induce readers to learn more of these great direct disciples, about whom there is an abundance of good literature in English at present.

Letters of Swami Vivekananda Swami Vivekananda 1960 Excerpt: "Liberty is the first condition of growth. Just as man must have liberty to think and speak, so must he have liberty in food, dress, and marriage, and in every other thing as long as he does not injure others."

**TEACHINGS OF SRI RAMAKRISHNA.** 2020

**Life After Death** Swami Vivekananda  
Perhaps no other subject has haunted the human mind, right from the hoary past, with such unerring consistency like the one regarding life and death. Is man mortal or immortal? What is reincarnation? What happens when a man dies? Every man is forced to ask these questions at some juncture of his life. This booklet published by Advaita Ashrama, Publication House of Ramakrishna Math, Belur Math, India, provides brief but clear answers to these fundamental questions.

An Introduction to the Philosophy of Panchadasi Swami Abhedānanda 2005 An Introduction to the Philosophy of Panchadasi, first published in March, 1948, is the first ever lecture by Swami Abhedananda on his landing to London, delivered at the Christo-Theosophical Society.

necessarily wellknown teachers and authorities. The spiritual path can be found by people of diverse nationalities and races. Here we learn the veiled history of an Adept who lived and worked within his community, hiding his true identity for the convincing reason discussed in this book. Also included are excerpts from the discourse of the author's Master, in which some of the most profound truths are stated in an original and compelling manner.

*Ramakrishna and His Disciples*

Christopher Isherwood 2002-07

Excerpt: This is the story of a phenomenon. I will begin by calling him simply that, rather than 'holy man', 'mystic', or 'saint', all emotive words with mixed associations which may attract some readers, repel others. A phenomenon is always a fact, an object of experience. That is how I shall try to approach Ramakrishna... I only ask you to approach Ramakrishna with the same

open-minded curiosity you might feel for any highly unusual human being. Christopher Isherwood unfolds a fantastic story with a calm finesse...

**Journey Into Kashmir and Tibet** Swami

Abhedananda 1988-03-01 Includes extracts from *The Unknown Life of Jesus Christ* by Nicolas Notovitch. In 1922, the author traveled through Kashmir and Tibet looking for information about the lost years of Jesus. He discovered material that he felt sheds new light on the life of Jesus. Describes a land that had been hidden from Westerners for decades.

**The Gospel of Sri Ramakrishna**

Ramakrishna 1942 A first-hand biographical record, written by a disciple, presents the teachings and mystical experiences of Sri Ramakrishna, the 19th century guru who inspired a renewal of Hindu spirituality.

**The Zen of Living and Dying** Philip Kapleau 1998-04-14 To live life fully

Downloaded from [denimbirds.com](http://denimbirds.com) on  
August 9, 2022 by guest

and die serenely—surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in modern society. Kapleau explores the subject of death and dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.

**Life After Death** Deepak Chopra  
2008-09-04 Dr Deepak Chopra, the world-famous pioneer in the field of mind-body medicine, addresses one of the fundamental questions of existence: what happens when we die?. Drawing upon personal experience, the wisdom of ancient Vedic philosophy and state-of-the-art particle physics, Chopra helps us to overcome our fears about dying and to consider the fantastic possibilities that may await us in the afterlife. This is

*life-beyond-death-swami-abhedananda*

the book that Dr Chopra has been preparing to write his entire life. In it, he considers the theory that death is an illusion of the senses and that the soul survives in an ongoing spiral of refinement, ending in enlightenment. Thought-provoking exercises offer a first-hand experience of these and other ideas, helping you to make sense of your own spirituality whatever path you choose to follow, and offering you your very own map of eternity.

**Original Gospel of Ramakrishna**  
Alexander Lipski 2011 Sri Ramakrishna is the most famous saint of modern India. This book is the original version of the most famous work about him, translated into English by the author "M" himself. A short biography of Ramakrishna, written by his famous disciple Swami Vivekananda, is also included.

Swami Abhedānanda 1968

**The Monk as Man** Samkara 2011-01-01 An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar's biography focuses on the personal

life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

**Attitude of Vedanta Towards Religion**

Swami Abhedananda 2007-03 PREFACE.  
THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write

or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend-ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another

matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches

one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing... JIVANMUKTI-VIVEKA OR THE PATH D. 1386 Madhava 2016-08-28 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these

works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Bhagavad Gita As Viewed By Swami Vivekananda*  
Swami Vivekananda  
2016-04-06 Swami Vivekananda's views

on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading

Downloaded from [denimbirds.com](http://denimbirds.com) on  
August 9, 2022 by guest

through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a

copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.
