**Typin' 'Bout My Generation** Ninie Hammon 2019-09-20 There is a storyteller in you. She doesn't care how old you are. She doesn't care if you're retired, semi-retired, nearing retirement or just over it. She doesn't care if you used to be a repairman, or an accountant, or a rodeo clown. She doesn't care how sure you are that it's too late to start something new. There is a storyteller in you. And it's time you started listening. My name is Ninie Hammon and I'm 72 years old. (If you say 72 years young, I will reach out from this page and punch you in the face.) I started writing my first book when I was 58. Too late? Nonsense. In fact, it was the perfect time to start writing. In this short little book, I'll do my best to show you that ... - Retirement is the perfect time to start writing. - Expendable time is the most valuable time there is. - Technology sucks, but it also doesn't matter. - Readers matter even more than you think. - Community is the secret sauce on everything. - Doing the thing is the most important thing. And so much more. Or maybe just those things. But also stories! And tangents. So many tangents. And references only you will get. There's even something in here for \*gasp\* people that aren't 72 yet. Or 52. Or even 32. It's time to stop thinking about who you were before and consider who you can be right now. It's time to become a storyteller.

Fire In The Hole Ninie Hammon 2021-10-25 Family loyalties and deadly feuds are brought to life in Ninie Hammon's new intergenerational romp through the history of The Cornbread Mafia in rural Kentucky. Nobody remembers anymore who started the generations-old feud between the two families of moonshiners and bootleggers. But in 1933 a carload of McCluskys ambushed a carload of Hannackers and six people died. The families would have turned the Kentucky hills scarlet with Hannacker and McClusky blood if four women hadn't ended the war before it began. Their "Crow's Pledge" stopped the killing, but the hatred lived on. When the county's National Guard unit is called up thirty-five years later, the Hannackers and McCluskys take their feud to Vietnam with them. It's possible that some of the soldiers who came home in black body bags weren't killed by the Viet Cong. After discovering marijuana during the war, both families are determined to grow it in the States, setting them at odds again. But there's no Crow's Pledge to stop the bloodshed this time. Fire In The Hole is the first book in Ninie Hammon's new Cornbread Mafia series, a fictionalized retelling of the real Cornbread Mafia that sprung up in picturesque Marion County, Kentucky, and grew into the largest illegal marijuana-growing operation in U.S. history.
