**Learn to Read Latin** Andrew Keller 2015-06-23 Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary material. Explains English grammar points and provides drills especially for today's students. Offers sections on Latin metrics. Includes numerous unaltered examples of ancient Latin prose and poetry. Incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. Offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.

The Happiness Trap Russ Harris 2013 A guide to ACT: the revolutionary mindfulness-based program for reducing stress, overcoming fear, and finding fulfilment - now updated. International bestseller, 'The Happiness Trap', has been published in over thirty countries and twenty-two languages. NOW UPDATED. Popular ideas about happiness are misleading, inaccurate, and are directly contributing to our current epidemic of stress, anxiety and depression. And unfortunately, popular psychological approaches are making it even worse! In this easy-to-read, practical and empowering self-help book, Dr Russ Harris, reveals how millions of people are unwittingly caught in the 'The Happiness Trap', where the more they strive for happiness the more they suffer in the long term. He then provides an effective means to escape through the insights and techniques of ACT (Acceptance and Commitment Therapy), a groundbreaking new approach based on mindfulness skills. By clarifying your values and developing mindfulness (a technique for living fully in the present moment), ACT helps you escape the happiness trap and find true satisfaction in life. Mindfulness skills are easy to learn and will rapidly and effectively help you to reduce stress, enhance performance, manage emotions, improve health, increase vitality, and generally change your life for the better. The book provides scientifically proven techniques to: reduce stress and worry; rise above fear, doubt and insecurity; handle painful thoughts and feelings far more effectively; break self-defeating habits; improve performance and find fulfilment in your work; build more satisfying relationships; and, create a rich, full and meaningful life.
