Do you have to read texts in English as part of your studies? Then you need Skills in English Reading. This course builds the skills that help you do reading research in English. At Level 2, you learn how to: skim for the main idea; skim for the topic of paragraphs; read for an established purpose; understand non-text markers; distinguish fact from opinion; make inferences - 'read between the lines'; recognise the author's point of view; apply ideas to real-world situations; transfer information, e.g., text to outline; and react to a text.
