Mists of the Serengeti Leylah Attar 2017-02 Once in Africa, I kissed a king... "And just like that, in an old red barn at the foothills of Mount Kilimanjaro, I discovered the elusive magic I had only ever glimpsed between the pages of great love stories. It fluttered around me like a newborn butterfly and settled in a corner of my heart. I held my breath, afraid to exhale for fear it would slip out, never to be found again." When a bomb explodes in a mall in East Africa, its aftershocks send two strangers on a collision course that neither one sees coming. countryside, Rodel Emerson loses her only sibling. Two ordinary people, bound by a tragic afternoon, set out to achieve the extraordinary, as they make three stops to rescue three children across the vast plains of the Serengeti-children who are worth more dead than alive. But even if they beat the odds, another challenge looms at the end of the line. Can they survive yet another loss-this time of a love that's bound to slip through their fingers, like the mists that dissipate in the light of the sun? "Sometimes you come across a rainbow story-one that spans your heart. You might not be able to grasp it or hold on to it, but you can never be sorry for the color and magic it brought." A blend of romance and women's fiction, *Mists of The Serengeti* is inspired by true events and contains emotional triggers, including the death of a child. Not recommended for sensitive readers. Standalone, contemporary fiction.

Virgil, Aeneid, 4.1-299 Ingo Gildenhard 2012 Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and

It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

I Know Why the Caged Bird Sings Maya Angelou 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the

consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Holes Louis Sachar 2020-11-05 Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.

Kubla Khan Samuel Coleridge 2015-12-15 Though left uncompleted, “Kubla Khan” is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet’s imagination through his whimsical description of Xanadu, the capital city of Kublai Khan’s empire. Samuel Coleridge penned “Kubla Khan” after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler’s capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great

PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. Dracula Bram Stoker 2020-09-27 Dracula is an 1897 Gothic horror novel by Irish author Bram Stoker. It introduced the character of Count Dracula and established many conventions of subsequent vampire fantasy.[1] The novel tells the story of Dracula's attempt to move from Transylvania to England so that he may find new blood and spread the undead curse, and of the battle between Dracula and a small group of people led by Professor Abraham Van Helsing. Dracula has been assigned to many literary genres including vampire literature, horror fiction, gothic fiction, and invasion literature.

The novel has spawned numerous theatrical, film, and television interpretations. The story is told in an epistolary format, as a series of letters, diary entries, newspaper articles, and ships' log entries, whose narrators are the novel's protagonists, and occasionally supplemented with newspaper clippings relating events not directly witnessed. The events portrayed in the novel take place chronologically and largely in England and Transylvania within the same year between 3 May and 6 November. A short note at the end of the final chapter is written 7 years after the events outlined in the novel.
