Critical Companion to Eugene O'Neill Robert M. Dowling
2009-01-01 Eugene O'Neill is widely considered the greatest American dramatist. Winner of the Nobel Prize in literature, O'Neill also received four Pulitzer Prizes over the course of his remarkable career. Critical Companion to Eugene O'Neill explores the personal, historical, and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh*, *The Emperor Jones*, *Mourning Becomes Electra*, *Hughie*, and--arguably the finest tragedy ever written by an American--*Long Day's Journey into Night*. Ideal for high school and college-level students, this new book covers all of O'Neill's works, as well as detailed entries on his life and related people, places, and topics. Entries include:

The Iceman Cometh Eugene O'Neill 2006-08-28 "We live and die, in the spirit, in solitude, and the true strength of Iceman is its intense dramatic exemplification of that somber reality. . . . Life, in Iceman, is what it is in Schopenhauer: illusion."--from the foreword by Harold Bloom *The Iceman Cometh* focuses on a group of alcoholics and misfits who endlessly discuss but never act on their dreams, and Hickey, the traveling salesman determined to strip them of their pipe dreams. Eugene O'Neill--the first American playwright to win the Nobel Prize in literature--completed *Iceman* in 1939, but he delayed production until after the war, when it enjoyed a long run of performances in 1946 after receiving mixed reviews. Three years after O'Neill's death, Jason Robards starred in a Broadway revival that brought new critical attention to O'Neill's darkest and most nihilistic play. Since then, *The Iceman Cometh* has gained enormously in stature; many critics now recognize it as one of the greatest plays in American

drama.

2010-05-11 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, Ruhr-University of Bochum (Englisches Seminar), course: Eugene O'Neill, language: English, abstract: The Iceman Cometh (published in 1940) and Long Day's Journey into Night (published in 1956 after O'Neill's death) are widely recognized to be two of Eugene O'Neill's best plays. Both belong to his late plays and apart from that bear a lot of similarities. The focus of this paper will be to analyze The Iceman Cometh and Long Day's Journey into Night with special regard to the importance of illusion and reality for both the characters and the progress of the play. Furthermore a comparison will be made between Hickey in The Iceman Cometh and Mary Cavan Tyrone in Long Day's Journey into Night in order to show that they have similar functions in their respective plays. Finally a conclusion will be given which

will sum up the argumentation.

#40) Eugene O'Neill 1988-10-01 The only American dramatist awarded the Nobel Prize for Literature, Eugene O'Neill wrote with poetic expressiveness, emotional intensity, and immense dramatic power. This Library of America volume (the first in a three-volume set) contains twenty-nine plays he wrote between 1913, when he began his career, and 1920, the year he first achieved Broadway success. Many of O'Neill's early plays are one-act melodramas whose characters are caught in extreme situations. Thirst and Fog depict shipwreck survivors, The Web a young mother trapped in the New York underworld, and Abortion the aftermath of a college student's affair with a stenographer. His first distinctive works are four one-act plays about the crew of the tramp steamer Glencairn that render sailors' speech with masterful faithfulness. Bound East for Cardiff, In the Zone, The Long Voyage Home, and The Moon of the Caribbees portray these "children of the sea" as they watch over a dying man, sail through submarine-patrolled waters, take their shore leave in a London dive, and drink rum in a moonlit tropical anchorage. In Beyond the Horizon Robert Mayo begins a tragic chain of events by abandoning his dream of a life at sea, choosing instead to marry the woman his brother loves and remain on his family farm. The sea in "Anna Christie" is both "dat ole devil" to coal barge captain

Chris Christopherson and a source of spiritual cleansing to his daughter Anna, an embittered prostitute. When a swaggering stoker falls in love with her, Anna becomes the apex of a three-sided struggle full of enraged pride, grim foreboding, and stubborn hope. Both of these plays won the Pulitzer Prize and helped establish O'Neill as a successful Broadway playwright. The Emperor Jones depicts the nightmarish journey through a West Indian forest of Brutus Jones, a former Pullman porter turned island ruler. Fleeing his rebellious subjects, Jones confronts his violent deeds and the tortured history of his race in a series of hallucinatory episodes whose expressionist quality anticipates many of O'Neill's later plays. Eugene O'Neill's Creative Struggle Doris Alexander 2008-01 In Eugene O'Neill's Creative Struggle, Doris Alexander gives us a new kind of inside biography that begins where the others leave off. It follows O'Neill through the door into his writing room to give a blow-by-blow account of how he fought out in his plays his great life battles&—love against hate, doubt against belief, life against death&—to an ever-expanding understanding. It presents a new kind of criticism, showing how O'Neill's most intimate struggles worked their way to resolution through the drama of his plays. Alexander reveals that he was engineering his own consciousness through his plays and solving his life problems&—while the tone, imagery, and richness of the plays all came out of the nexus of memories summoned up by the urgency of the problems he faced in them. By the way of O'Neill, this study

moves toward a theory of the impulse that sets off a writer's creativity, and a theory of how that impulse acts to shape a work, not only in a dramatist like O'Neill but also in the case of writers in other mediums, and even of painters and composers. The study begins with Desire Under the Elms because that play's plot was consolidated by a dream that opened up the transfixing grief that precipitated the play for O'Neill, and it ends with Days Without End when he had resolved his major emotional-philosophical struggle and created within himself the voice of his final great plays. Since the analysis brings to bear on the plays all of his conscious decisions, ideas, theories, as well as the life-and-death struggles motivating them, documenting even the final creative changes made during rehearsals, this book provides a definitive account of the nine plays analyzed in detail (Desire Under the Elms, Marco Millions, The Great God Brown, Lazarus Laughed, Strange Interlude, Dynamo, Mourning Becomes Electra, Ah, Wilderness!, and Days Without End, with additional analysis of plays written before and after.

The First Man Eugene O'Neill 2014-05-01 This thought-provoking play from Irish-American playwright Eugene O'Neill takes an unflinching look at the challenges of parenting and the often primal conflicts that can fester between parents and their children. The drama unfolds during what starts out as a pleasant-enough social visit, as anthropologist Curtis Jayson and his wife Martha play host to one of Curtis' college friends.

Eugene O'Neill Robert M. Dowling 2014-10-28 An "absorbing" biography of the playwright and Nobel laureate that "unflinchingly explores the darkness that dominated O'Neill's life" (Publishers Weekly). This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his

time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day's Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, *Eugene O'Neill: A Life in Four Acts* is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act." —*Irish Times*

Down the Nights and Down the Days Edward L. Shaughnessy 2000-06-20 This latest book from veteran O'Neillian Edward L. Shaughnessy examines the influence of the Irish playwright's Catholic heritage on his moral imagination. Critics, due to O'Neill's early renunciation of faith at age 15, have mostly overlooked this presence in his work. While Shaughnessy makes no attempt to reclaim him for Catholicism, he uncovers evidence that O'Neill retained the imprint of his Irish Catholic upbringing and acculturation in his work. Shaughnessy discusses several key plays from the O'Neill canon, such as *Long Day's Journey into Night*, *The Iceman Cometh*, and *Mourning Becomes Electra*, as well as the lesser-known *Ile* and *Days Without End*. Winner of the Irish in America Manuscript competition, *Down the Days and Down the Nights: Eugene O'Neill's Catholic Sensibility* is a compelling investigation into the psyche of one of the most brilliant, internationally honored playwrights of our time. *An Analysis of the Characters in Eugene O'Neill's The Iceman Cometh* Martha Nedwell Mason 1967

Mimetic Disillusion Anne Fleche 1997-01-30 *Mimetic Disillusion* reevaluates the history of modern U.S. drama in general and the dramatic art of O'Neill and Williams specifically,

showing how at mid-century drama in America shifted away from representational theatre, toward a poststructuralist "disillusionment" with mimesis. The book focuses on two major writers of the 1930s and 1940s - Eugene O'Neill and Tennessee Williams - one whose writing career was just ending and the other whose career was just beginning. In new readings of their major works of this period, *Long Day's Journey into Night*, *The Iceman Cometh*, *The Glass Menagerie*, and *A Streetcar Named Desire*, Fleche develops connections to the writings of Jacques Derrida, Paul de Man, and Michel Foucault, among others, and discusses poststructuralism in the light of such modern writers as Bertolt Brecht, Antonin Artaud, and Walter Benjamin.

By Women Possessed Arthur Gelb 2016-11-01 Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material, the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize-winning American playwright. This is a tour through both a magical moment in American theater and the troubled life of a genius. Not a peep show or a celebrity gossip fest, this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights. Handsome, charming when he wanted to be: O'Neill was the flame women were drawn to—all, that is, except his mother, who never let him forget he was unwanted. *By Women Possessed* follows O'Neill through his great successes, the failures he was able to shrug off, and the long eclipse, a twelve-year period in which, despite the Nobel, nothing he wrote was produced. But ahead lay his greatest achievements: *The Iceman Cometh* and *Long Day's Journey into Night*. Both were ahead of their time and both received lukewarm receptions. It wasn't until after his death that his widow, the keeper of the flame, began a fierce and successful campaign to restore his reputation. The result is that today, just over 125 years after his birth, O'Neill is a towering presence in the theater, his work—always in performance here and abroad—still electrifying audiences. Perhaps of equal importance, he is the acknowledged father of modern American theater, the man who paved the way for the likes of Arthur Miller, Tennessee Williams, Edward Albee, and a host of others. But, as Williams has said, at a cost: "O'Neill gave birth to the American theater and died for it."
