UP PGT Commerce Corporate Accounting Dheeraj Kumar Singh

As for Me and My House Sinclair Ross 2018-01-09 "It's an immense night out there, wheeling and windy. The lights on the street and in the houses against the black wetness, little unilluminating glints that might be painted on it. The town seems huddled together, cowering on a high tiny perch, afraid to move lest it topple into the wind." The town is Horizon, the setting of Sinclair Ross' brilliant classic study of life in the Depression era. Hailed by critics as one of Canada's great novels, **As For Me and My House**

takes the form of a journal. The unnamed diarist, one of the most complex and arresting characters in contemporary fiction, explores the bittersweet nature of human relationships, of the unspoken bonds that tie people together, and the undercurrents of feeling that often tear them apart. Her chronicle creates an intense atmosphere, rich with observed detail and natural imagery. **As For Me and My House** is a landmark work. It is essential reading for anyone who seeks to understand the scope and power of the Canadian novel.

India Before Europe Catherine B. Asher 2006-03-16 India is a land of enormous diversity. Cross-cultural influences are everywhere in evidence, in the food people eat, the clothes they wear, and in the places they worship. This was especially the case in the India that existed from 1200 to 1750, before the European intervention. The book takes the reader on a journey across the political, economic, religious and cultural landscapes of

medieval India, from the Ghurid conquests and the Dehli Sultanate to the great court of the Mughals. This was a time of conquest and consolidation, when Muslims and Hindus came together to create a unique culture which still resonates in today's India. As the first survey of its kind in over a decade, the book is a tour de force. It is beautifully illustrated and fluently composed, with a cast of characters which will educate students and general readers alike.

UGC-Net Rph Editorial Board 2020-10 The present mentoring book has been specially published for the aspirants of UGC-NET Yoga (Paper-II) for Eligibility to JRF and Assistant Professor positions. The book covers all important and relevant Chapters & Topics at appropriate length along with exhaustive exercises Solved by Experts. From Charity to Social Work Elizabeth N. Agnew 2004 Mary E. Richmond (1861-1928) was a contemporary of Jane Addams and an influential leader

in the American charity organization movement. In this biography--the first in-depth study of Richmond's life and work--Elizabeth N. Agnew examines the contributions of this important, if hitherto under-valued, woman to the field of charity and to its development into professional social work.

Orphaned at a young age and largely self-educated, Richmond initially entered charity work as a means of self-support, but came to play a vital role in transforming philanthropy--previously seen as a voluntary expression of individual altruism--into a valid, organized profession. Her career took her from charity organization leadership in Baltimore and Philadelphia to an executive position with the prestigious Russell Sage Foundation in New York City. Richmond's progressive civic philosophy of social work was largely informed by the social gospel movement. She strove to find practical applications of the teachings of Christianity in response to the social problems that accompanied rapid industrialization, urbanization, and poverty. At the same time, her tireless efforts and personal example as a woman created an appealing, if ambiguous, path for other professional women. A century later her legacy continues to echo in social work and welfare reform.

The Zigzag Way Anita Desai 2014-03-04 A young American in Mexico discovers his family's past--and a present-day danger--in this "elegant, exquisite" novel of suspense (Elle). Eric is a newly minted historian just

out of graduate school, plagued by self-doubt over both his past choices and his future options. With no clear direction, he follows his lover, Em, when she travels to the Yucatan for her scientific research, but ends up alone in this foreign place. And so he pursues his own private quest, tracing his family's history to a Mexican ghost town, where, a hundred years earlier, young Cornish miners--among them Eric's grandparents--toiled to the death. Now, in place of the Cornish workers, the native Huichol Indians suffer the cruelty of the mines. When he inquires into their lives, Eric provokes the ire of their self-appointed savior, Dona Vera. Known as the "Queen of the Sierra," Dona Vera is the widow of a mining baron who has dedicated her fortune to preserving the Huichol culture. But her formidable presence belies a dubious past. The zigzag paths of these characters converge on the Day of the Dead, bringing together past and present in a moment of powerful epiphany. Haunting and atmospheric, with splashes of exuberant color and darker violence, *The Zigzag Way* is "a beautifully rendered combination of history, folklore, and modern fiction" (Entertainment Weekly), from a Booker Prize finalist. "Long before Jhumpa Lahiri . . . long before Monica Ali . . . another novelist was offering us exquisitely detailed portraits of bodies in transit [and] classes in the art of sly and sensuous fiction . . . Anita Desai was a global, migrant writer before such a thing was fashionable." --Time

“Almost unbearably suspenseful.” –The Boston Globe “A hypnotic journey.” –San Jose Mercury News

COMMERCE (UGC-NET/JRF) YCT EXPERT TEAM UGC-NET/JRF
COMMERCE CHAPTER-WISE SOLVED PAPERS

Gandhi's Rise to Power Judith M. Brown 1972 Dr Brown presents a political study of the first clearly defined period in Mahatma Gandhi's Indian career, from 1915 to 1922. The period began with Gandhi's return from South Africa as a stranger to Indian politics, witnessed his dramatic assertion of leadership in the Indian National Congress of 1920 and ended with his imprisonment by the British after the collapse of his all-India civil disobedience movement against the raj. Focusing on Gandhi, this book nevertheless investigates the changing nature of Indian politics. It aims to

study precisely what Gandhi did, on whom he relied for support, how he interacted with other nationalist leaders and how he saw his own role in Indian public life. Unlike the usual interpretation of Gandhi's rise to power as based on a charismatic appeal to the Indian masses, this study argues that his influence depended on a capacity to generate a network of lesser leaders, or subcontractors, who would organise their constituencies for him, whether these were caste, communal or economic groups or whole areas.

Surfacing Margaret Atwood 2012-03-27 From the author of the New York Times bestselling novels *The Handmaid's Tale*—now an Emmy Award-winning Hulu original series—and *Alias Grace*, now a Netflix original series. Part detective novel, part psychological thriller, *Surfacing* is the story of a talented woman artist who goes in search of her missing father on a remote island in northern Quebec. Setting out with her lover and another young couple, she soon finds herself captivated by the isolated setting, where a marriage begins to fall apart, violence and death lurk just beneath the surface, and sex becomes a catalyst for conflict and dangerous choices. *Surfacing* is a work permeated with an aura of suspense, complex with layered meanings, and written in brilliant, diamond-sharp prose. Here is a rich mine of ideas from an extraordinary writer about contemporary life and nature, families and marriage, and about women

fragmented...and becoming whole.
